

STEP INTO ADULT LEARNING

ASPIRE | DEVELOP | SUCCEED

WELCOME

Welcome to East Coast College. There's something for everyone in our [adult course guide!](#)

Whether you're looking to develop existing skills and build on your qualifications to progress in your current role, retrain and follow a new path or discover an exciting new talent, our extensive range of adult courses can help you prepare for the future. With a range of learning options and course lengths, our programmes are easy to fit around other work and life commitments.

Through completing our courses you will:

- Gain recognised qualifications
- Learn new skills
- Meet new people
- Build your confidence
- Enhance your CV
- Open up new doors for work and training opportunities!

Many of our courses have funding options to help you study, subject to your personal circumstances.

If you need help deciding on the right course for you, please email heretohelp@eastcoast.ac.uk or call us on **0800 854 695**.

HOW TO APPLY

Find the course you are interested in on our website at www.eastcoast.ac.uk/adult and complete the online application form.

You can also call our Admissions team on **0800 854 695** or send them an email at admissions@eastcoast.ac.uk for help submitting an application.

Interested in something else?

If you can't see the course you are looking for or want to talk to the team about future opportunities, get in touch. Our college curriculum changes regularly to respond to the needs of our local community and employers, and we want to hear from you if there's something we are missing.

If you're unsure on what qualifications you might need or what your options are, our friendly team can provide support and guidance.

ADDITIONAL LEARNING

PLANT AND CIVIL ENGINEERING BOOTCAMP

Skills Bootcamps are the Government's new high-profile training and recruitment initiative designed to help address workforce and recruitment needs. The scheme will help employers who wish to retrain their existing staff so they can increase productivity, develop new business and/or retain staff.

This course will last 11 weeks, and will provide training with content mainly at Level 3 standard or above (A Level equivalent).

The college is working with a variety of plant contractors to support the delivery of the course and provide job opportunities. The course will include health and safety and CSCS card employability as well as the required plant operative tickets including dumper and roller.

Delivery will be at the Energy Skills Centre, East Coast College Lowestoft Campus, as well as one-to-one mentoring.

Email Rachel Bunn for more details:
r.bunn@eastcoast.ac.uk

or visit: www.eastcoast.ac.uk/adults/skills-bootcamps

SITE SECURITY BOOTCAMP

This is a Skills Bootcamp course to support those identified as progressing into security jobs.

Delivery will be at the Energy Skills Centre, East Coast College Lowestoft Campus, as well as one-to-one mentoring.

Courses include:

Six-day door supervisor course, including the SIA license.

Four-day CCTV course for the SIA license.

Three-day First Aid course.

Gain the confidence to help your family learn and grow.

COOKING SESSIONS/ NUTRITION

Broaden your knowledge of measurements, cooking times, portion sizes, nutritional values, and costs.

CONFIDENCE WITH EVERYDAY MATHS

Break down barriers for maths in everyday life, such as calculating change and shop discounts.

RELEVANT EMPLOYMENT SKILLS

Upskill for the career you want, including better-off-in-work/benefits calculation. Appropriate training such as retail, hospitality, warehouse, construction, healthcare and more.
